

The Belva Lockwood Inn, in partnership with the Girl Scouts of NYPENN Pathways, is thrilled to announce the launch of a brand-new **Girl Scout Fun Patch Program** honoring the extraordinary Belva Lockwood!

Belva Lockwood: A Role Model for Future Leaders

Belva Lockwood wasn't your average woman. A lawyer, politician, and social reformer, she shattered barriers and championed causes we hold dear today. This exciting program lets Girl Scouts of all ages explore Belva's incredible story and earn a commemorative patch!

Uncover Belva's Legacy Through Engaging Activities

The program offers a variety of activities tailored to different age groups, including:

- **Learning adventures:** Unravel Belva's fascinating life through age-appropriate reading, research, and historical exploration.
- **Creative expression:** Design your own campaign materials, create a time capsule, organize a debate.
- **Hands-on experiences:** For Girl Scout troops visiting the Inn, we offer a half-day immersive learning experience with activities like mock trials and suffrage sash making or participate in a historical scavenger hunt at the Belva Lockwood Inn (optional).
- **And so much more!**

Embrace the Spirit of a Trailblazer!

This program empowers Girl Scouts to:

- Discover the power of perseverance.
- Learn about women's suffrage and the fight for equality.
- Develop critical thinking and communication skills.
- Unleash their creativity and leadership potential.
